It's always a great idea to reflect on the things in life that we are thankful and grateful for. Most of us take for granted what the universe has to offer, and understandably so. Everyone has their own busy life and sometimes we do not have the time to stop and think about things to be thankful for. However, it's worth taking a timeout and making a list of things to be thankful for, so that you can see just how much positivity and happiness there is in the world. You can write these down, or say these to yourself, which is something that is recommended in the Law Of Attraction and is called positive affirmations. In doing this, you are constantly reminding yourself what there is to be thankful and grateful for. *Katherine Hurst*

Our Gratitude to all our Veterans for their....

Veterans Day is Wednesday November 11. Lakehouse West will celebrate our Veterans at the 5:00 pm & 6:30 pm dinner time by serving wine and specialty cocktails while enjoying the “Great American Songbook” by Robert Huffman.

Robert Huffman has been performing since the age of 16- dance, theatre, singing, television, comedy, you name it. The Las Vegas native has traveled the world living and performing all over North America, Europe, Africa, Asia and Australia. Robert is truly versatile and skilled at his craft; his affinity for the unique is evident in any project he takes on. Celebrity performances include opening acts for Dean Martin, Elton John, Tom Jones, Liza Minelli, Tom T. Hall, Grace Jones, Marinella (Greece) and Pedro Abrunhosa (Portugal) to name a few. More recently he returns to the states after traveling abroad singing at Jazz festivals in Europe and Russia. Currently he performs jazz standards, coming alive with exclusive jazz arrangements to The Great American Songbook that have you getting to know them all over again. Seductive, smooth and elegant describe his distinguished style. With Robert's extensive dance background, his shows are upbeat and fun, offering movement and feeling that delight as much as entertain.
